DETAILED ACTION

Priority

1. The translation of the original foreign priority documents filed 04/21/06 have been received and acknowledged.

Allowable Subject Matter

1. Claims 1-18 are allowed.
2. The following is an examiner's statement of reasons for allowance: The translation of the foreign priority documents has overcome the 102(e)/103(a) rejection made in view of Wu. The prior art cited of record does not anticipate individually or teach in combination the following structure:
 - A frame; a reflecting plate set on the bottom interior section of the frame, at least a lamp set within the frame above the reflecting plate, a diffusion plate set over the frame and above the lamp; a plurality of optical films set over the diffusion plate; and at least a supporting element set between the reflecting plate and the diffusion plate wherein the supporting element has a first supporting section for supporting the diffusion plate and a second supporting section for supporting the lamp;
 - A backlight module having a first frame, a reflecting plate set up on the bottom interior section of the first frame; at least a lamp set within the first frame above the reflecting plate; a diffusion plate set over the first frame above the lamp; a plurality of optical films set over the diffusion plate; and at least a supporting
